Students, parents, employees and others doing business with or performing services for the Solon Community School District are hereby notified that this school district does not discriminate on the basis of race, creed, color, national origin, religion, gender national origin, age, sexual orientation, disability, or marital status in the admission or access to, or treatment in programs and activities.

Solon Community School District Preschool Program

The mission of the Solon Community School District is that each student will be highly engaged in mastering rigorous, relevant and meaningful content experienced through exceptional teaching and collaborative learning experiences.

The Preschool Experience

Work Time in Small Groups: art projects, pre-academic work, cooking projects, field trips, more. . . .

Group Time: Discussion of the calendar, counting objects, the weather, singing songs, stories, the schedule for the day, and more.

Snack: Integration of self-help skills and communication activities.

Large Group Lessons: Activities taught by the preschool teacher to build experience with school routines, following directions, pre-academic skills, and social interactions. **Creative Curriculum** lessons incorporate counting, color and shape identification, language skills, and appropriate social interactions.

Solon CSD Preschool

Free Play: This essential part of early childhood education allows opportunities for participating in creative play activities that provide observation opportunities for staff.

Motor Skills: This includes both large and fine motor activities. Gross motor includes outdoor play, balancing, running, jumping, and other movement activities. Fine motor activities include beads to string, puzzles, cutting, writing, play dough, drawing, and manipulating small objects.

Social / Emotional Development: Fosters a warm and caring environment where children are able to learn at their own pace and ability. Children are able to learn how to create and maintain friendships through positive community relationships.

Self Help Skills: Includes putting on coats, hanging up back packs, cleaning up after snack, washing hands, toileting, and picking up toys.

Aesthetic expression: Art, music, and dramatic play experiences for creative expression, practicing social and communication skills, and imagination.

If you have questions, or to register, please contact one of the preschool programs listed on the front of this brochure.
