Section 504 of the Rehabilitation Act of 1973 is designed to prohibit discrimination based on disability in any program or activity receiving federal money. This statute obligates public schools to provide equal access and equal opportunity to otherwise qualified persons with disabilities. For a student to be eligible for a 504 plan, the student must meet all three of the following criteria. It must be because of this disability that the student is unable to gain equal access and benefit from school programs and services.

The eligibility for Section 504 is defined as a person with a disability as anyone whom:

1. has a mental or physical impairment which substantially limits one or more major life activities (major life activities include activities such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working);
2. has a record of such impairment; or
3. is regarded as having such an impairment.

If you believe that a student may be eligible for Section 504 accommodations or modifications, please complete the section below and submit the signed form to the student's school principal or School 504 Coordinator.

**Please describe the student concern and how it matches the above criteria for eligibility.**
